# NOTICE

## PRICES

The prices herein supersede all former quotations including catalogues, etc. Due to uncertain market conditions, all catalogue, price list and other quotations are made subject to change without notice.

## PARCEL POST SPECIAL

Owing to the recent advance in transportation rates, especially freight, you can in many instances save money by having goods sent by Parcel Post. There is a minimum Express charge of 30 cents and a minimum freight charge of 50 cents. In other words, you can send a parcel weighing up to 20 pounds by mail just as cheaply and in many cases more cheaply than by Express and you can send up to forty pounds by mail just as cheaply as by freight. You may be the judge as to whether mail, express or freight gives the most satisfactory delivery service.

## PARCEL POST RATE

FIRST LB. 8c; EACH ADDITIONAL POUND 1.1c.  
PK. 24c.

In making your order do not fail to include the necessary postage, for in many instances you can save money, especially on all small parcels by having delivery made by Parcel Post. Just under heading of each item it is stated whether or not Prepaid.

If you fail to include Parcel Post fee we will necessarily have to reduce order or send by express or freight.
